

Code of Conduct

Your role in demonstrating our College Values is:

- » To attend and be on time for every lesson
- » To follow the absence procedure (as outlined on College website)
- » To be ready for and engage in every lesson and meet all homework and assignment deadlines
- » To treat other staff, students and visitors with respect.
- » To contribute to our positive learning environment and support our zero tolerance approach to language or behaviour that may cause offense to others.
- » To respect the College environment by keeping it tidy, by only smoking in designated areas and by adhering to the health and safety guidelines.
- » To represent the College positively in the local community by showing respect, compassion, integrity, innovation and equality, diversity & inclusion.
- » To always wear your lanyard and ID to keep our community safe.

Our role in demonstrating our College Values is:

- » To provide a safe place to learn.
- » To offer fair treatment and respect to all students.
- » To offer extra help and support with educational and emotional needs.
- » To offer help looking at your next steps and future career.
- » To listen to all student voices and their opinions on improving the college.

We know that in seeking to follow the college values we can create a positive learning environment for everyone.
