

Apprenticeships

Brooklands College is launching an exciting campaign from January 2024. 'Apprenticeship Track For All!', as part of our commitment to provide high quality education and skills for the people in our community, and to support local business and economic growth.

The College is calling on support from employers, large, medium or small, to collaborate with us on the unlimited benefits of an apprenticeship and how they can drive success and long-term business growth.

Whether you are an individual hoping to enrol on an apprenticeship, or an employer looking to recruit new staff or upskill existing employees we have a range of apprenticeship programmes available.
